

Diamond  Vogel®

# Vantage Plus®

INTERIOR LATEX ENAMEL

**Vantage Plus** is the advantage you need for the toughest residential and commercial interior projects.

Formulated for use as a finish coat on residential or commercial walls and ceilings constructed of plaster, drywall, wood, or masonry.

## Versatile, Capable, and Easy to Use

**Vantage Plus Interior Latex Enamel** provides superior application characteristics and durability. Featuring outstanding hide that saves you time, impressive burnish resistance to keep your surfaces looking great, and amazing touch-up qualities, it will reduce frustration at the end of the job. Vantage Plus is highly versatile, allowing it to be used as a finish coat on residential or commercial walls, ceilings, and trim constructed of plaster, drywall, wood, or masonry.

Recommended Dry Film Thickness per Coat	2.0 to 3.0 mils		
Practical Coverage at Recommended DFT	187 to 280 ft <sup>2</sup> /gallon		
Solids by Volume	35%		
VOCs	See Technical Data Sheet		

### OUR FAMILY'S COMMITMENT TO YOU

Andrew Vogel, our founder, decided that the paint he perfected himself was the only paint good enough for houses and barns in the harsh and varied Midwest climate. In 1926, a paint company was born from a modest workshop laboratory. Four generations and millions of gallons of paint later, we still carry on the legacy of our

founder. Through our manufacturing facilities, stores, and dealers, we continue to provide the outstanding value and service that our company was built on. From perfecting our own formulas to producing and distributing our own products, our commitment and passion continues to be worthy of Andrew's name.
