

LAWN & GARDEN EQUIPMENT COATING SOLUTIONS

Coatings that protect lawn mowers, tractors, and outdoor tools from corrosion and wear, ensuring lasting outdoor performance.

COATING SOLUTIONS

Outdoor tools face moisture, abrasion, and seasonal wear. Diamond Vogel industrial coating systems protect against corrosion, extend service life, and keep machines working year after year. Our systems combine durability with fast application to **help you stay productive.**

COATINGS FOR LANDSCAPING EQUIPMENT

INVEST IN QUALITY

When you invest in quality, it shows and it lasts. Diamond Vogel industrial liquid and powder coatings give coaters the **flexibility**, **aesthetics**, and **durability** needed to protect and prolong surfaces in even the harshest conditions.

LIQUID COATINGS

Diamond Vogel liquid coatings deliver complete solutions, from primers that protect to topcoats that perform in the toughest conditions.

TOPCOATS

High-performance finishes that provide lasting color and gloss retention and resist fading, chalking, and chemical damage.

PRIMERS

Reliable protection against corrosion and wear. Primers provide strong adhesion and create a durable foundation for your topcoat.

Diamond Fleet® Topcoat

Touch-Up & Color Matching

One Source. Total Color Control.

Aerosols provide precise touch-up matches that align with your liquid and powder finishes for a consistent OEM appearance.

Coatings That Weather Every Season

Resist corrosion and wear so outdoor tools keep working year after year.

POWDER COATINGS

Diamond Vogel delivers advanced powder coating technologies that provide durability and efficiency for OEM applications. Choose from stocked systems or custom formulations designed to your specifications.

Peridium® T-Series Topcoat | Primer

- Super-durable TGIC polyester
- EdgeSpan™ Technology for superior edge coverage and corrosion protection
- Pair with a zinc primer for increased corrosion resistance

Peridium® E-Series Topcoat | Primer

- Toughness and corrosion resistance
- Zinc option for ultimate protection
- Tested for road salt and de-icer exposure

Peridium® P-Series Topcoat | Primer

- TGIC-free polyester for durability in global applications
- Balanced smoothness and edge coverage
- Consistent performance across parts

Upgrading to a textured finish provides an added layer of toughness, increased edge corrosion protection, and gives a unique and enhanced visual appeal.
