INTERIOR/EXTERIOR ACRYLIC LATEX ENAMEL

The art of creating smooth, durable finishes on cabinets, doors, and trim

Formulated for use on residential and commercial interior or exterior wood, masonry, and metal substrates. The durable finish makes it an ideal product for surfaces such as woodwork, cabinets, handrails, metal doors, frames, and trim.

## Beautiful, Smooth, Durable, and Easy to Use

**Artistry Acrylic Latex Enamel** is a premium-quality interior and exterior acrylic enamel that delivers a smooth, even finish with excellent gloss, color retention, and effortless cleanability. It's perfect for painted woodwork, trim, doors, frames, and many other substrates. Artistry is designed for both interior and exterior surfaces, allowing for the same paint to be used on both sides of doors and frames. Its advanced application properties deliver outstanding flow and leveling, anti-sag, and exceptional block resistance making it perfect for the most demanding environments both inside and out.

Finish	30-40 @ 60°	50-60 @ 60°
Resin Type	Acrylic Latex	
Dry Time to Touch	30 minutes to 2 hours at 70°F and 50% Relative Humidity	
Dry Time to Recoat	4 hours at 70°F and 50% Relative Humidity	
Recommended Dry Film Thickness per Coat	1.5 to 2.0 mils	
Practical Coverage at Recommended DFT	273 to 363 ft <sup>2</sup> /gallon	
Solids by Volume	34%	
VOCs	See Technical Data Sheet	

### OUR FAMILY'S COMMITMENT TO YOU

Andrew Vogel, our founder, decided that the paint he perfected himself was the only paint good enough for houses and barns in the harsh and varied Midwest climate. In 1926, a paint company was born from a modest workshop laboratory. Four generations and millions of gallons of paint later, we still carry on the legacy of our

founder. Through our manufacturing facilities, stores, and dealers, we continue to provide the outstanding value and service that our company was built on. From perfecting our own formulas to producing and distributing our own products, our commitment and passion continues to be worthy of Andrew's name.
