A Leader in Industrial and Protective Coatings

The colors featured in this Industrial Color System color card have been selected to satisfy the need for a comprehensive coverage of industrial color requirements. The colors are available in a number of different coating types including solvent-base and water-base systems. Contact your Diamond Vogel representative for specific coating recommendations and availability.

Since 1926, Diamond Vogel has manufactured quality industrial coatings for a variety of uses. Whatever the application, Diamond Vogel has a product that will give the look and protection you need!
