

## FOR IMMEDIATE RELEASE

### Diamond Vogel Partners with FCA International

**Orange City, Iowa—August 6, 2019**—Diamond Vogel is pleased to announce it has joined FCA International as a supporting partner. The partnership with FCA International is an additional opportunity for Diamond Vogel to engage and support the painting, coating, and finishing contractor community.

“We look forward to assisting all FCA members with their common mission of providing their customers with the highest quality craftsmanship,” said Mark Vogel, Diamond Vogel Vice President of Business Development. “We love to interact and partner with true craftsmen, sharing our coating expertise and solutions, to ensure their customers are completely satisfied with the results.”

Diamond Vogel believes partnering with industry organizations is an important element in fostering innovation and education within the coating field. The partnership with FCA will provide Diamond Vogel with another avenue by which to meet the future challenges of the coating industry.

### About Diamond Vogel

### About FCA International

FCA International represents the largest community of finishing contractors in North America. We are a community of innovative industry leaders who understand that a group has a bigger impact than an individual. Our membership is comprised of contractors engaged in architectural glass & metal, drywall finishing, flooring, industrial coating, painting & wallcovering and sign & display work. We band together with our Affiliate Associations and industry partners to influence our industry by educating, advocating and legislating on behalf of our members. FCA contractors share a common mission – to provide their customers with the highest quality craftsmanship. FCA contractor members work with the best-trained, safest and most productive craftsmen in the industry.
