Diamond Vogel and Keep Iowa Beautiful Announce 2021 Grant Awards

Diamond Vogel and Keep Iowa Beautiful announced the grant awards for the 2021 Paint Iowa Beautiful program. The program provides free paint to a wide variety of public service projects throughout Iowa.

"Governor Reynolds has signed a proclamation designating April as Keep Iowa Beautiful month and we are pleased to do our part by awarding paint to 132 community projects in Iowa," said Doug Vogel, Vice-President, Marketing, of the Iowa based company. "The partnership with Keep Iowa Beautiful allows Diamond Vogel to assist and work with many local volunteers that help build communities, making Iowa the number one state in the nation to live."

"The Paint Iowa Beautiful program helps us increase our assistance to neighborhoods and communities in improving the attractiveness and beauty of where we live," said Kevin Techau, Executive Director of Keep Iowa Beautiful. "These projects definitely improve the beauty of Iowa, its countryside and its communities."

In addition to paint projects, join over 90 communities participating in Keep Iowa Beautiful's <u>Pick Up</u> <u>Iowa</u> annual program by cleaning up litter and trash along Iowa's roadsides, neighborhoods, streets, school grounds, parks and streams. Encourage your community mayor, city council or county supervisors to announce several days or a week as PICK-UP YOUR COMMUNITY. Pick-Up Iowa is being held through June 30th, 2021 on any dates that work for your community. To participate you must register your group/organization at https://www.research.net/r/PickUplowa 2021 SignUp Registered participant groups are eligible for a limited supply of free cleanup supplies such as bags, grabbers, safety vests and gloves donated by Keep Iowa Beautiful.

In the 18-year partnership with Keep Iowa Beautiful, Diamond Vogel has awarded over 11,860 gallons of paint for 1,132 community projects in Iowa.
