

**Diamond  Vogel**<sup>®</sup>

# SureFlo

INTERIOR/EXTERIOR ACRYLIC LATEX ENAMEL

**SureFlo** makes it easy to produce a smooth, even finish with its anti-sag properties and outstanding flow and leveling.

Formulated for use on residential and commercial interior or exterior wood, masonry, and metal substrates. The durable finish makes it an ideal product for surfaces such as woodwork, cabinets, handrails, metal doors, frames, and trim.

# Diamond Vogel

Beautiful, Smooth, Durable, and Easy to Use

**SureFlo Acrylic Latex Enamel** allows you to achieve a gorgeous finish regardless of how you apply it...brush, roller, or spray. It's perfect for painted woodwork, trim, doors, frames, and many other substrates. SureFlo is designed for both interior and exterior substrates allowing the same paint to be used on both sides of doors and frames. SureFlo takes full advantage of the latest technologies providing the best performance, incredible anti-sag properties and spectacular block resistance. A premium formula meeting the challenges of your most demanding projects.

Recommended Dry Film Thickness per Coat	1.5 to 2.0 mils	
Practical Coverage at Recommended DFT	270 to 365 ft <sup>2</sup> /gallon	
Solids by Volume	34%	
VOCs	<50 g/L	

## OUR FAMILY'S COMMITMENT TO YOU

Our founder, Andrew Vogel, decided that the only paint good enough for the barns and homes in the varied and often harsh Midwest climate was paint he perfected himself. So in 1926, from a modest "workshop laboratory," a paint company was born. Four generations, seven manufacturing

facilities, 63 service centers, and millions of gallons of paint later, we are still as stubborn. We still insist on perfecting our own formulas, producing and distributing our own products, and servicing our customers with the kind of passion and commitment worthy of Andrew's name.
