# Double Hide and RTU

EXTERIOR FIELD MARKING COATINGS

Durable, long-lasting, vibrant,  
athletic field lines made easy.

Formulated to be used on football fields, tracks, and courts,  
as well as a variety of exterior substrates including turfs,  
concrete, asphalt, and cinders.

## Two Great Options to Make Fields Look Great

**Double Hide Field Marking Paint** creates bright, vibrant athletic lines on fields, tracks, and courts. Its concentrated formula allows flexibility based on the surface to be marked and the brightness desired. Easy cleanup with soap and water. Double Hide is available pre-mixed in both Brite White and Yellow. It is also available in a clear tint-base allowing for thousands of possible colors.

**RTU Field Marking Paint** takes some of the hassle out of marking athletic fields. Its ready-to-use formula is great for spray application and ensures the lines look consistent each time. RTU Field Marking Paint creates bright, durable athletic lines on fields, tracks, and courts. Easy cleanup with soap and water. RTU is available in white only.
